Bureau Helps Job Seekers

The student employment office, Craig 106, has received about three hundred applications for full or part-time employment, according to Paul Chumrau, director of the placement bureau.

To date, 75 people have been placed in part-time employment, and 18 have been assigned full-time work.

Chumrau explained that the placement bureau is not a job finding agency, nor can it guarantee work. It is merely the middle-man between employer and student.

"Student finding employment through the bureau should do their jobs well," Chumrau said, "because good performance on the jobs offered will encourage employers to call on the bureau for help in the future."

Mrs. Kay Reardon, secretary of the bureau, said it is very important that applicants notify the office of any changes in their class schedules, and changes of address or telephone numbers.

A record of performance on the job will become a part of each student's personnel record, and will be incorporated in his permanent file at time of graduation, Mrs. Reardon said.

Business Ad School Rates High in Nationwide Tests

MSU's business administration students have compiled one of the top records in the nation for the fourth consecutive year in tests given annually by the American Institute of Accountants, according to Dean T. H. Smith of the business administration school.

In the May examinations, in which 208 major colleges of business administration and 175 public accounting firms participated, MSU students ranked as follows:

First-year accounting students ranked third among 95 colleges giving the test, second-year students placed second among 34 colleges, third-year students ranked first among 15, and Montana seniors placed second among 86 colleges giving the fourth-year test.

MSU Students Do Well

Dean Smith said MSU students have always done well in these tests, but the 1950 record was the closest to a clean sweep.

The American Institute of Accountants is the National Association of Certified Public Accountants.

Montana's society of CPA annually makes a scholarship award to the outstanding junior student majoring in accounting and awards a president's key to the outstanding senior in the accountancy field on this campus.

usually makes a scholarship award to the outstanding junior student majoring in accounting and awards a president's key to the outstanding senior in the accountancy field on this campus.

Six Pass CPA Exam

CPA examinations given last spring, in which 45 persons took the standard test for certificates used in 47 states, showed that six of the eight persons who passed were students or graduates of MSU's business administration school.

This year the business administration school numbers close to eight hundred students, according to Dean Smith. This makes their enrollment twice that of any other school on the campus.

ROOTERS ASKED TO GATHER AT N.P. DEPOT FOR RALLY

The Northern Pacific depot will be the scene of a send-off rally for the Grizzly football squad this afternoon at 3 o'clock sharp, Don Stanaway, Billings, traditions board chairman, said yesterday. At that time, the team will depart for the Idaho game at Moscow.

Stanaway asked that Bear Paws, Spurs, and the whole student body turn out to send the squad on their second game of the season.

PCA SCHEDULES MEETING

The Protestant Christian association will meet at 4 p.m. Monday at the home of the Rev. Bruce Wood, Helen Lewis, Boulder, vice-president of the group, said yesterday.

Graybill to Speak At IRC Meeting

The International Relations club will meet at 7:30 p.m. Tuesday in the Bitterroot room of the Student Union, Jim Wylder, Havre, president, announced today.

A new instructor in the history and political science department, Leo Graybill, will speak on the political situation in western Europe, Wylder stated. Graybill spent the past summer in Europe.

The IRC president emphasized that this was an open meeting and especially urged foreign students to attend.

Watkins Gives Scholarship

A new scholarship, the Gordon and Anna Watkins scholarship in economics, has been established at MSU, university officials announced. The \$1,500 scholarship was presented by Dr. and Mrs. Gordon Watkins of Riverside, Calif. Both are graduates of the University.

The scholarship, set up for a three-year period, is to be awarded a post-graduate student in economics on the basis of scholarship, character, need, and promise of professional success.

Dr. Watkins, a 1914 graduate, has been provost of the University of California at Riverside since January 1950. A widely known authority on labor relations, Dr. Watkins received an honorary doctor of laws degree from MSU in 1940. Mrs. Watkins was graduated in 1915.

In presenting the scholarship to the University, Dr. Watkins wrote: "The check is being sent with a deep sense of satisfaction; it is only a modest token of our high regard and appreciation of the excellent education opportunity the University presented to us both."

Dr. Jesse, acting president, said, "It is a very great pleasure to have two graduates who distinctly have made their mark in the world express, as Dr. and Mrs. Watkins have done, their sense of loyalty to the University, and their satisfaction with what the University had to offer them as students."

EDUCATION ENROLLMENT SHOWS LITTLE CHANGE

About 150 new students have entered the School of Education this year. The total enrollment, which Linus J. Carleton, dean of the education school, estimates at more than three hundred fifty, is almost the same as last year.

Award Winners to Star In First Society Picture

The University Film society will open its 1950 series of weekly movies Sunday with showings of "It Happened One Night" at 7 and 9 p.m. in Simpkins Little theater.

All of the pictures this year will be on single admission tickets, with a straight rate of 50 cents each.

Clark Gable and Claudette Colbert star in the Sunday production, in the roles which won them the 1934 Academy awards.

Educational Value

Each week during the quarter, the film society will bring another movie of educational and entertainment value to the campus, Virginia Bulen, Missoula, society business manager, said. Most films will be re-releases or foreign films. The pictures will be chosen for having lasting interest. Many will be pictures which the local theaters cannot run as a paying proposition.

On Oct. 8, "Counsellor at Law," with John Barrymore, will be presented, followed by "The Well-Digger's Daughter," a French picture with English sub-titles, on Oct. 15.

Brain Child

The brain child of Ben Hecht, "Specture of the Rose," with Judith Anderson and Michael Chekhov, will play on Oct. 22, and "Letter from an Unknown Woman," with Joan Fontaine and Louis Jordan, will be shown Oct. 29.

"The Naked City," filmed in New York with Barry Fitzgerald and Howard Duff, will play on Nov. 5. The British mystery-thriller classic, "The 39 Steps," directed by Alfred Hitchcock and starring Madeleine Carroll and Robert Donat, will be shown on Nov. 12.

West Number A Mae West and W. C. Fields number, "My Little Chickadee," is scheduled for Nov. 19; and "Street of Shadows," a French picture with English subtitles telling a tale of First World war espionage, for Nov. 26.

John Wayne, Claire Trevor, and Thomas Mitchell take the spotlight in the Dec. 3 movie, "Stage-coach."

A German color film, the film version of the famous Strauss operetta, "Die Sledermaus," will complete the fall quarter series on Dec. 10.

MacArthur, Rhee Return To South Korean Capital

Korea, Sept. 27—(P)—Gen. Douglas MacArthur flew to Seoul today (Friday, Korean time) to restore President Syngman Rhee to the capital from which he fled. Rhee left Seoul when the Communists invaded South Korea June 25.

The 75-year-old Rhee returned to Seoul with MacArthur in a triumphant parade along the dusty road from Kimpo airfield. They rode through rubble-strewn streets still patrolled by marines and South Koreans seeking die-hard snipers.

HAVRE ENROLLMENT DROPS; FEWER FROSH REGISTER

Havre, Sept. 28—(P)—Sharp decreases in male enrollment and freshman class registration has accounted for the bulk of the 23 percent drop in enrollment at Northern Montana college in Havre. Figures released by Registrar Charles L. Langer showed that only 148 freshmen are registered as compared with 250 last year. Last year, 203 men enrolled at the college, but only 139 showed up at registration this week. Langer says, however, more students are expected to register for classes during the next few days.

ARMY TO CALL 300,000 DURING SIX-MONTH PERIOD

Washington, D.C., Sept. 28—(P)—The army called for more manpower today.

The high command outlined its plans in a secret session with the house armed services committee, and the army said 300,000 more men will be drafted in the next six months.

The army already has inducted 30,000 men this month, and has 20,000. The 300,000 others will be called up between October and the end of March.

TRUMAN MOVES CAUTIOUSLY

Washington, D.C., Sept. 27—(P)—President Truman has made it clear that he will go slow in enforcing parts of the new Communist control law. Specifically, Mr. Truman says he is in no hurry to carry out the provision calling for publishing a list of defense plants in the United States, where Communists would be barred from work. This, says the President, would be handing secrets to a potential enemy "on a silver platter."

YUGOSLAVIA CHANGES MIND

Lake Success, Sept. 27—(P)—The United Nations security council has defeated a move to extend an invitation to the Chinese Communists to join debate on their charges that the United States committed aggression in sending its seventh fleet to guard Formosa. The move lost by only one vote, but the issue will come up again tomorrow because Yugoslavia wants to change its mind and provide the needed seventh vote.

SPEEDING SOUTH KOREANS APPROACH 38TH PARALLEL

Eighth army headquarters, Sept. 27—(P)—A South Korean army operations officer says advance elements of the South Korean army should reach the 38th parallel within the next 24 hours.

The Montana KAIMIN

Established 1898

The name Kaimin (pronounced Ki-men) is derived from the original Selish Indian word and means "something written" or a "message."

EDITORIAL

We Approve

Today, we found ourselves in a surprisingly good mood. In fact, we discovered that our reservoir of nasty things to say about people and policies was exhausted. We were a bit worried for a time. With nothing nasty to say, the prospects for a Friday editorial looked very slim.

Then we remembered that one of our resolutions for the coming year had been to say something nice occasionally. Happily, we did not have to look far to find a subject about which we could comment favorably.

In our opinion, one group performing an outstanding service for the campus is the University Film society. These people are offering the campus something more nourishing in the way of movie fare than the usual oaters and suds films to which the American movie-goer is monotonously subjected.

Initiated on a trial basis and a shaky budget a short time ago, the society's quarterly film series have proved themselves more than worthwhile. And, evidently, they are appreciated.

Last year, the film program grew from one to three showings of each picture on a season-ticket basis. This quarter, the society has shown sufficient faith in the intelligence of campus film-goers to schedule weekly showings of top-rank pictures on a single-admission basis.

And so, we hereby bestow upon the University Film society one of those rare Kaimin bouquets for meritorious service and wish it every success in the future.—D.G.

New Delta Gamma House To Be Completed Soon

BY ALICE KESLER

The orphaned Delta Gammas are soon to have a home again. Mrs. F. G. Dratz, D.G. housemother, said yesterday that plans have been made for the girls to be in the completely renovated house by Oct. 15.

In the meantime, the D.G.'s have been housed in New hall and the Alpha Chi Omega house. The basement of New hall has become completely D.G., with the girls holding their meetings in the "chapter" room, formerly the dorm's sewing room.

Remodeling at 516 University was begun last spring and was to have been completed in time for the return of students in the fall, but a plumber's strike in Missoula during the summer slowed work to such an extent that the D.G.'s are without their home for a month.

Reconstruction

What started out to be a remodeling job has turned into complete reconstruction. The new building will not be recognized as the familiar-looking D.G. house, which was the first on the campus designed especially for fraternity living. It was remodeled once before, in 1947.

In honor of pledging Wednesday night, the new furnace was turned on for the first time and the girls inspected some of their future home's new features. The house's Old English style has been retained, both inside and out, but there the resemblance to the old building ends.

Every room on the first floor has been enlarged. By omitting the old sunporch, moving the front of the building out, and putting on a new addition in the back, the living room, dining room, hallway, and kitchen have been expanded. A chapter room and breakfast room have been added and also a bit of

glamour—a powder room off the front hallway and a winding stairway leading to the second floor.

Second Floor

Second floor contains seven new rooms—the president's room, guest room, a sound-proof typing room, and three bedrooms. Much needed but smaller additions are the telephone booths, linen closet, formal, and coat closets. Third floor contains a completely new "sophomore dressing room," a wing room which will house four, and the same Siberia. Running from basement to top floor is an inside fire escape, also used as a back stairway. Even the basement has come in for improvement with trunk, laundry, and work rooms added.

The new facilities will provide adequate space for 40 girls; 36 of them will move in this quarter.

Gain in Enrollment Announced by PE

Freshmen and sophomore physical education enrollment is higher this quarter than last spring quarter's enrollment, because of the smaller number of veterans in those classes, according to Charles Hertler, P.E. department head.

This year, the P.E. department will further their plan of offering assorted skills to the students.

Square dancing has been reoffered after it was discontinued last spring quarter. It has grown to be one of the most popular courses on the campus.

This year's instructors are Vincent Wilson, Dave Cole, and John Harasymczuk.

Harasymczuk, a member of the varsity swimming team, will coach swimming in the absence of Bob Oswald, who is working on his master's degree at the University of Washington.

Rescue Try Fails; Heroine Takes Spill

An attempt to rescue a tumbling freshman resulted in a twisted ankle for photographer Wilma Ellis, Butte, the day the "M" got the whitewash job.

A fence post ended the rapid descent of Kenneth Dumaine, freshman from Anaconda, when he fell head-long into the wire about half-way down from the "M."

Miss Ellis, seeing him fall, ran to his assistance only to trip over a piece of wood and twist her ankle.

Dumaine was taken to the hospital where he was treated for lacerations about his eyes. Miss Ellis was treated at the Health service.

Both patients are improving rapidly, according to Dr. Richard Bolin.

China to Replace Trays in Campus Hall Dining Rooms

The clatter and crash of army mess trays in the North hall dining room will very shortly be a thing of the past, Mrs. Edith A. Swearingen, manager of residence halls, said yesterday.

With new china on the way, North hall women and men from Jumbo will be eating off something besides the tin relics which arrived in the postwar days.

The mess trays were introduced on campus with the Army Air force in the spring of '43, and were later put out of service until post-war swollen enrollments, starting with the fall of '46, brought them back to residence hall dining rooms.

Corbin Waits

South hall boarders will have china as soon as work on the kitchen is completed. Boarders at Corbin will have to wait until after the first of next year, Mrs. Swearingen said.

"It is my aim to have all residence hall boarders eating off china instead of the army mess trays before the end of the school year," Mrs. Swearingen said.

New Dietician

Phyllis Todd, new North hall dietician, arrived on campus during the summer session. Receiving her B.S. at Montana State college, Miss Todd then went to the University of Washington where she completed her dietetic internship last June.

Mrs. Swearingen said new washing machines for the residence halls have been ordered. They are to be coin-operated, automatic machines, under the direct supervision of the residence halls.

FALL SOCIAL DATES DUE

All organized groups desiring social calendar dates for fall quarter must submit two tentative dates for their functions to Dr. Maurine Clow's office by Tuesday noon.

LUTHERAN MEET TO HEAR BRITISH COLUMBIAN SPEAK

"The Meaning of Faith," led by Henry Pratt, British Columbia, is the topic of the Lutheran Students' association this Sunday evening. The meeting, at 5 p.m., will be followed by a fellowship supper and a vesper service, concluding at 7:30 p.m.

Woman of the Week

Royal Treatment Thrills MSU's Miss Montana

BY JEWEL BECK

"The royal life we led in Atlantic City, the wonderful experience of associating with all the other girls in the Miss America pageant, and the honor of being part of such a well-known national contest certainly made my summer as Miss Montana thrilling and worthwhile."

Such was the statement of Donna Buls, 19-year-old Missoula lass who was crowned Miss Montana last spring at the climax of the MSU elimination contest.

Pictures, Pictures

"There were pictures, pictures, pictures—every way we turned," the blond coed explained. "In the Boardwalk parade—which lasted two and a half hours and stretched eight miles long—people would call us by name from all directions to try to catch us with a special expression in our eyes."

The enormity of the whole drama especially stuck in Miss Buls' mind—the huge hall auditorium, the massive but beautiful stage, the ramp that seemed to stretch for miles, and the thousands of people always milling around.

Police Escort

"We were assigned a young Atlantic City matron as our personal chaperone when we arrived there, and were accompanied by her, as well as a police escort, everywhere we went. It was considered one of the greatest honors a young Atlantic City woman could receive to be selected as one of our chaperones," reported Miss Montana.

The 54 girls in the pageant worked beautifully together, said Miss Buls. They relaxed backstage with such antics as learning the hula from Miss Hawaii, who was later chosen by the group as Miss Congeniality.

Locked Lips

"No Miss America contestant was allowed to speak to any man during the week of the pageant," said Miss Buls, "or she would have been barred from the contest. However, we were escorted by Naval air cadet officers to the Coronation ball on Saturday evening."

The wardrobe Miss Montana took with her was well suited to her activities, she felt, and on an even par with the clothes of the entrants from all over the nation.

While at the pageant, all contestants were given one-piece knit nylon bathing suits to wear in the review with the compliments of Catalina; each girl being allowed to pick her own color and size.

Three Weeks

The whole journey, including the 10 days spent in New York City at the Elizabeth Arden beauty salon, took Miss Buls about three weeks. She was accompanied by Dr. Maurine Clow, associate dean of students.

While in New York City, Miss

BEAR PAWS HELP FOX

Student Theater tickets, those cards that mean the difference between paying adult prices and student prices at Fox theaters, will go on sale by the Bear Paws immediately, Dirk Larsen, Bear Paw treasurer and ticket manager, said today.

"A full-scale sale of them, however," Larsen added, "will await the tapping of the new Bear Paws next Thursday at SOS. It will be their first large project."

The cards will remain on sale until Nov. 1.

Buls studied voice each day with Hasmig Gedickian, MSU voice instructor, who was spending the summer with her parents in New Jersey.

Beverly Burgess, Missoula, Miss Montana pageant chairman last year, was able to be present in Atlantic City to hear Donna sing.

Miss Buls, a junior in English, has as yet no definite plans to pursue after her graduation. The odds are, she said, that she will do either private voice teaching or professional singing.

Ask Your College Counselor

About Our New Fall Fashions

Cecil's College Counselor program begins tomorrow for the second year. Come in and let Marie Krebsbach show you our new fall styles in wools, corduroys, and wool jersey. Marie will model a forest green knit dress by Helen Harper of 100 per cent wool. The simple lines of the dress will be accented by Renoir copper jewelry and a scarf by Vera.

The first college counselor of this year is Marie Krebsbach, a junior sociology major. Marie is from Missoula and is a member of Alpha Phi sorority and the Masquers, drama organization.

SINGLE ADMISSION 50¢

Young Grizzlies to Face Veteran Vandal Eleven

BY DON ZUPAN

The Montana Grizzlies seek their second consecutive victory of the 1950 grid season against Idaho Saturday afternoon at Moscow.

The game will be a battle between a veteran squad of Vandals and a youthful Grizzly eleven. Idaho has 17 lettermen back from the club that defeated the Silvertips 47 to 19 last year. However, the MSU team has been strengthened by some fine junior college transfers and an imposing array of football-wise sophomores.

The Grizzly attack will rely heavily on the passing combination of Tommy Kingsford and Ray Bauer. Quarterback Kingsford threw three touchdown passes to end Bauer in the MSU-EWCE game last week. Montana has two

good ball-carriers in Bob Byrne and Sonny Wold. Bo Laird, hard-charging fullback, may be sidelined with a leg injury.

The Vandal attack will be headed by backfield performers, Bud Riley, King Block, and John Bro-

gan. Block and Brogan both played fine football against the Montanans last season. Idaho has reserves to back these men up and Coach Dixie Howell can replace them with new men when necessary.

Platoon System

Montana will employ the two-platoon system again Saturday. Head Coach Ted Shipkey said that he was pleased with this type of play and that it had more than proved itself in the MSU-EWCE battle at Cheney. Shipkey said that the system keeps players fresh and alert. It may help the Silvertips in their tilt with the well conditioned Vandal foe.

Shipkey's eleven probably will fill the air with passes on Saturday, as that is the most potent Grizzly weapon. Another factor which may persuade the Silvertips to use the forward pass is the apparently weak Idaho pass defense. Idaho practically pushed the Utah Redskins all over the field in the first half of play with the Utahans last Saturday. Utah started connecting on passes and the Vandals had to fight hard to win the game.

Brown Stein

Possession of the Little Brown Stein will be at stake in this traditional contest. Idaho has retained the Stein since their 1948 victory over the Grizzlies. Coach Shipkey commented earlier in the week that his team would be out to avenge last year's defeat at the hands of the Moscow squad.

Idaho runs out of a Notre Dame box formation and also uses the T formation on occasion. Howell has been rebuilding at Idaho and figures that this year's team should be better than his club of last season.

Although this is not a conference game, as it has been in past years, it is still one of the traditional contests on the Grizzly schedule.

Former All-American Shipkey can call on his team to give a good account of themselves and he undoubtedly will be doing just that on Saturday afternoon.

Nearing, Bauer, Moomaw, Leonard, Maus, and Gerlinger will man the Grizzly end positions. Lamley, Hanson, Miller, Murray, and Reed will make the trip as tackles. Jones, Antonick, Ingram, Stewart, and Volk will be ready for action as guards. Ken Campbell, Anderson, and Watt will man the center position.

Quarterbacks making the trip are Kingsford and White. Laird, Carlson, Vicurovich, and Sherbeck will be ready for fullback duty. Byrne, Wold, Graves, Murphy, Baker, Don Campbell, King, Thomas, and Rothwell will serve at the halfback positions.

Professor Thomas Calls for Scholars

Students who plan to apply for scholarships abroad during the scholastic year 1951-52 under the Fulbright Act are requested to see Prof. Bart E. Thomas in Old Science 206, at once, Professor Thomas said yesterday.

The Fulbright grants apply only to graduate students who wish to go abroad to study and to faculty members who want to go overseas to teach, Professor Thomas said.

FORUM WILL FORMULATE

The University Forum committee will meet at noon today in the Eloise Knowles room of the Student Union, according to Art Smith, Missoula, chairman.

Plans for the October forum will be discussed at the meeting.

Students who will graduate during this year are also eligible.

"It is urgent that these applications be turned in at once as considerable time will be consumed in processing them," Professor Thomas said.

Mrs. Gladys Bennett, Seattle, was a guest at the Alpha Phi house during rush week. Mrs. Bennett, the national rushing chairman, served as rush advisor to the local chapter.

The Alpha Chi western province president, Mrs. Kennard Jones, Spokane, has been a house guest during the past week. Mrs. Walter Coyle, Butte, state alumna chairman, was also a visitor.

A house guest at the Sigma Kappa house during the week has been Mrs. Harry B. Averill, Mt. Vernon, Wash., who is their local province president.

National Conventions

Bob Moore, Great Falls, Sigma Nu chapter president, attended the Sigma Nu national convention at Old Comfort, Va., this summer. He was accompanied by Dallas Reed, Missoula.

The national Sigma Kappa convention in Swampscott, Mass., during the summer was attended by Marjorie Anderson, Kalispell, Alpha Nu's national delegate, and

Betty Lou Berland, Conrad, chapter president. The girls spent several days in New York prior to the convention.

Doris Stamp, Theta house president, attended the national Kappa Alpha Theta convention in Swampscott, Mass., in June.

Four Theta Chi's attended their national get-together in Minneapolis during the summer. They were Bill Binet, Grand Rapids, Minn.; Forrest Paulson, Belt; Charles Booth, Forsyth; and John Suchy, Missoula.

Galveston, Tex., was the scene of the national Alpha Phi convention in June, attended by Chi chapter delegates Pat Payne, Billings; Betty Ann Delaney, Missoula; and Shirley Cunningham, Butte.

Guests at Houses

Thelma Haggerty, Joan Harrington, and Bev Rich, Butte, were week-end visitors at the Kappa Kappa Gamma house.

The Thetas were hosts to Mary Carol McCrea, Anaconda; Marcella Chezick and Mary Stermitz, Helena, over the week end.

Initiation ceremonies for four new Theta Chi actives were conducted Monday night. These men were Doug Reiner and George Harpole, Los Angeles; and John Staley and Bill Hough, Missoula.

Newly elected president of the Theta Chi house is Forrest (Porky) Paulson of Belt.

Fox Theater Gives Passes

Free passes to the Fox theater are being distributed today by all Bear Paws wearing the sweater to students with activity cards, Dirk Larsen, Bear Paw ticket manager, announced.

Each university student will receive one pass good to any movie at the Fox theater from now to Oct. 15 upon payment of the 12-cent tax at the box office window.

Courtesy Passes

Jack Copeland, manager of the Fox, granted the 3,000 tickets to the students this year as a courtesy.

Last night, the free ducats were distributed at the North, South, and Corbin dining halls and Monday night the Bear Paws will make the rounds of the fraternities and sororities to distribute them there.

Greeks Slated for Ducats

The members of the Greek organizations are asked to wait until their meeting Monday night to receive their tickets unless they will be absent from the meetings or desire to utilize the passes this week end.

The request is made to prevent the Bear Paws from being swamped at every turn during their school day, Larsen said.

A mythological monster, half lion and half eagle, of ancient Greece, was called a griffin. It was a common figure in Greek and Roman art.

Cold Epidemic Keeps Health Center Busy

"The common cold is off to a good start on campus this fall," according to Dr. Richard Bolin, assistant director of the Health service.

Dr. Bolin said that scores of students have come to the infirmary during the last week for pills and throat sprays.

"If this doesn't let up pretty soon, the entire town of Missoula will be out of nose drops and cough syrup," Dr. Bolin said.

The "epidemic" might well be attributed to the complete lack of sleep during rush week, he said.

"The old rest and relaxation formula is the only prevention and cure as far as I can see," Dr. Bolin said.

In Persia, a mirdaha is the commander of the peons or a village overseer.

Deadlines Set For Seniors

Deadline for filing diploma applications for bachelor and master degrees for autumn quarter seniors is Oct. 2, Leo Smith, registrar, said yesterday.

Deadline for winter quarter seniors who are enrolled in the University autumn quarter, is also Oct. 2. The deadline for winter quarter seniors not enrolled autumn quarter, is Jan. 8.

Spring quarter seniors who are enrolled winter quarter must file by Jan. 8. However, late applications for spring quarter will be accepted upon payment of the late filing fee of \$5, through Feb. 28.

No spring quarter applications will be accepted after that date, except from applicants not enrolled winter quarter.

A teest is a small anvil.

Women's Athletics Start Monday

Women's Intramurals start next Monday. The first fall sport is volley ball and practice will be Monday at 4 p.m. and is open to anyone.

The house groups are urged to organize their teams at their Monday night meetings and turn them in to Miss Agnes Stoodley, by Tuesday. Tuesday through Friday there will be half-hour scheduled practices for each team. Managers should sign up on the bulletin board. Regular games will start Oct. 10.

Square dancing will start next Tuesday. Beginners are to come to the Student Union Gold room from 7 to 9 p.m. and intermediates on Thursday from 7 to 9 p.m. There are no openings for men and only a few for women. Win Hunt will do the calling.

Royaleers, square dancing club, meets this coming Tuesday night in the Gold room at 9 p.m. This meeting is for members only.

**Howdy Friends
and
Welcome Back
TO
MSU**

Once again it is our pleasure to say hello to many old friends and to welcome the newcomers to the campus. The first week of strenuous college life demands strong bodies and active, alert minds. That's why smart students have made the dairy dozen a campus custom. Community Creamery milk and dairy products furnish the energy needed to keep fit throughout the year. Insist on them always!

Try Community Creamery Grade A homogenized vitamin D milk. It's GOOD and it's GOOD for you!
